Dear Mr. Turpin,

This week we received both the U.S. Mint coin of President Theodore Roosevelt and your handgun license in the mail. While the coin was a very thoughtful gift, we are unfortunately unable to accept. Indiana Code prevents state employees from accepting gifts or favors from their constituents.

Also enclosed is your State of Indiana license to carry handgun. We recommend you retain this document for your personal records. If you have any questions about the license, please contact the Firearms Division of the Indiana State Police at (317) 232-8264 with your questions.

Please let us know if we can be of assistance in the future.

Thank you, sincerely, Mr. Kirk Freeman,

Dear Honorable Judge Drake,

It is our humble opinion that the current protective order being submitted against me is frivolous, and fractious, and may be an attempted abuse of our Honorable U.S. Court System.

I'm simply a Catholic, U.S. citizen with his God-given and inalienable human rights at risk, who strives to always be an honest, married man, actively wishing for children of his own.

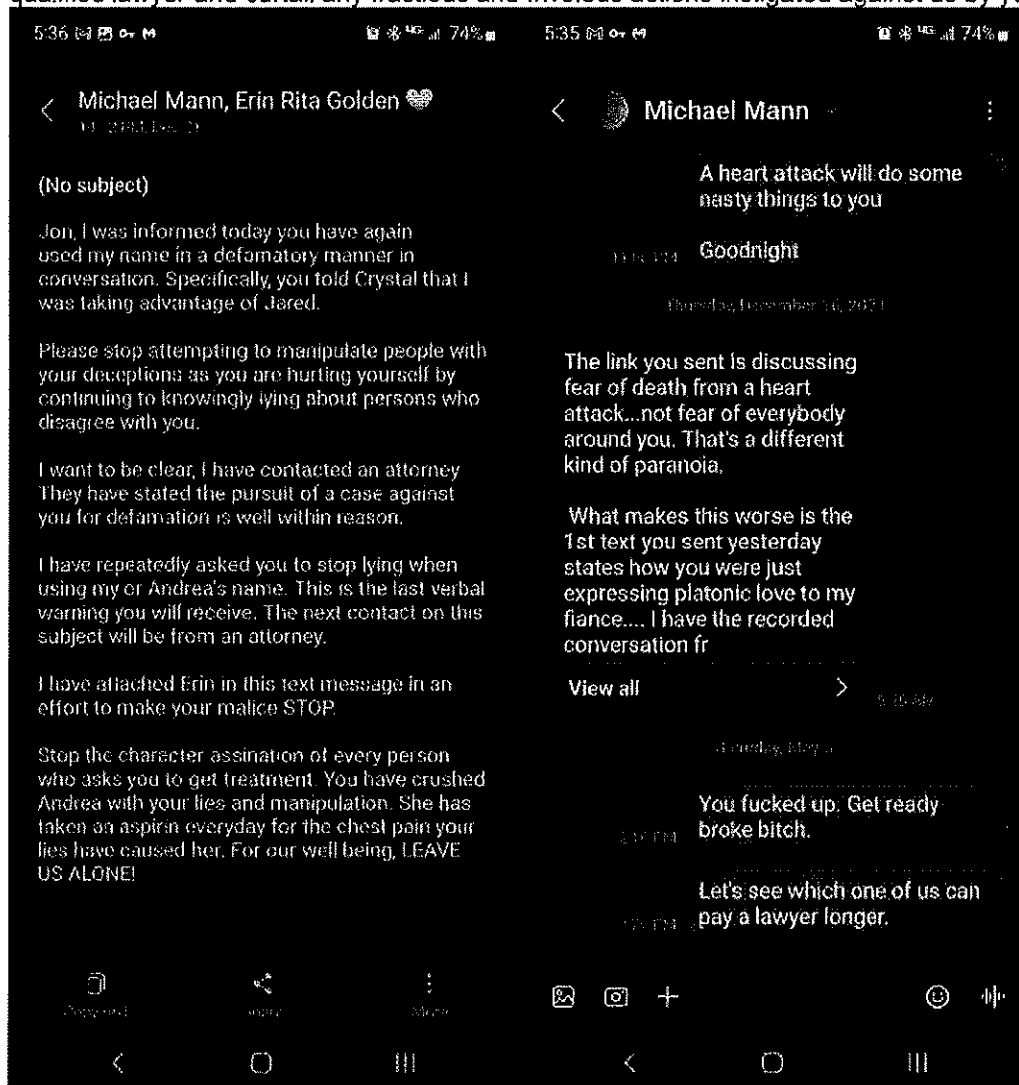

In that same vein, I wish to be able to protect myself, my wife, Erin Golden, and our future children, without frivolous and fractious turmoil in our family, and external contributors.

To ensure we may do this, I reference our Constitution and the Civil Bill of Rights put forth by our own esteemed government and officials, and implore you to deny this frivolous action against us.

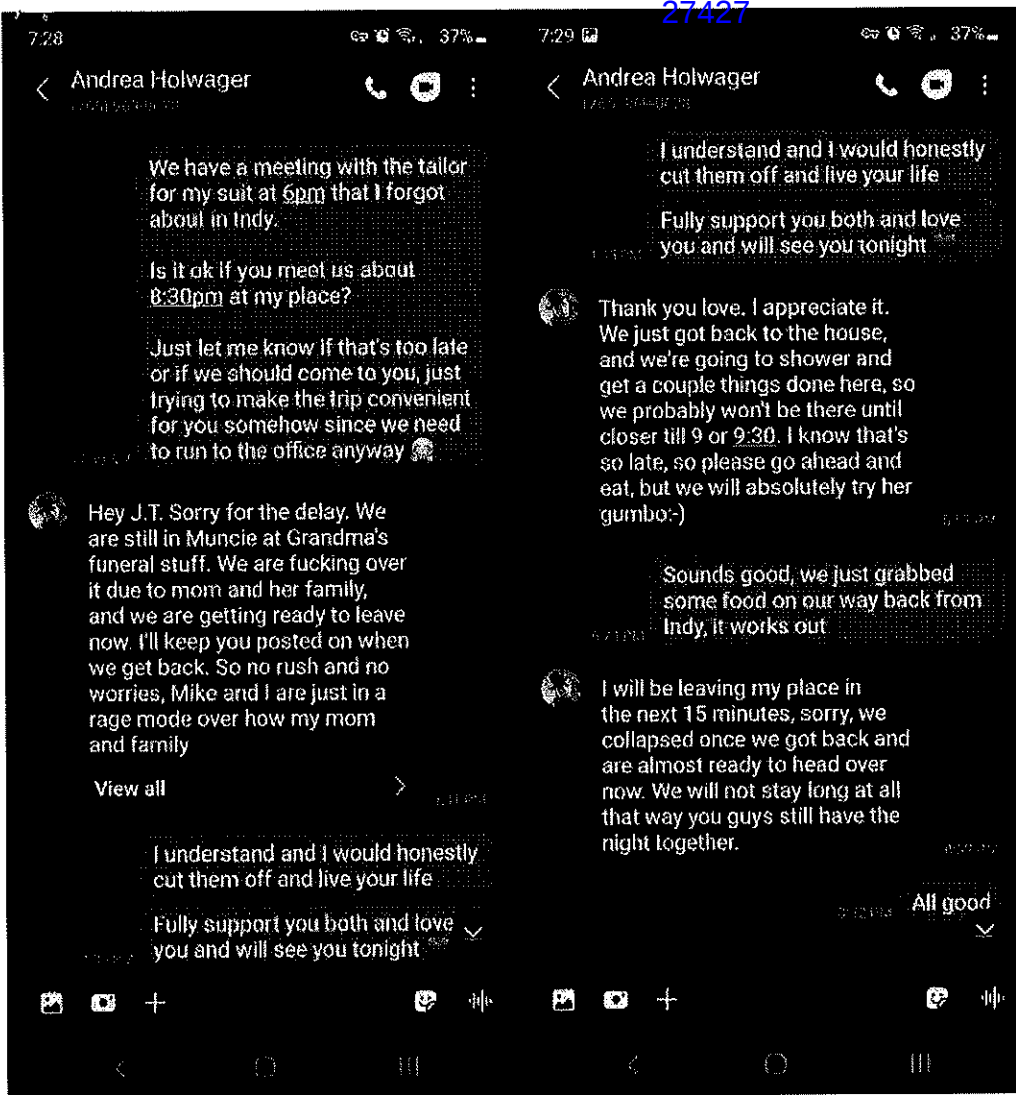

The alternative may enable some other individuals, or those who condone "bad behavior," which we do not condone, to deny our personal agency and rights to Life, Liberty and the Pursuit of Happiness.

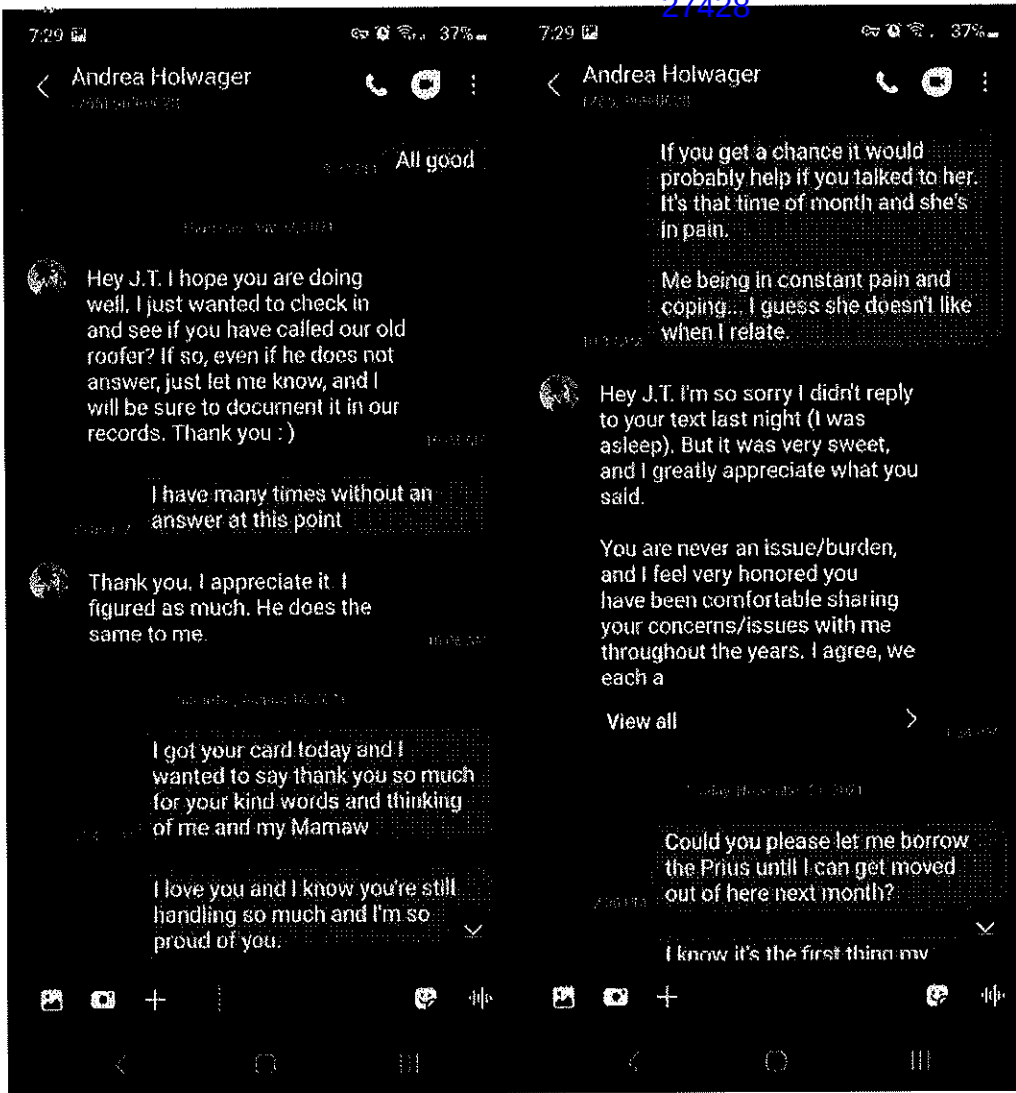

Before detailing "why" our opinion of this protective order is that it is frivolous, fractious, and abusive, I first wish to give my sincere apologies to Michael A. (Mann) Holwager for my use of the "F-word."

I'm sorry for my language, Mr. Holwager, however, my response was merely that, a response, with the offer to hire a qualified lawyer and curtail any fractious and frivolous actions instigated against us by you:

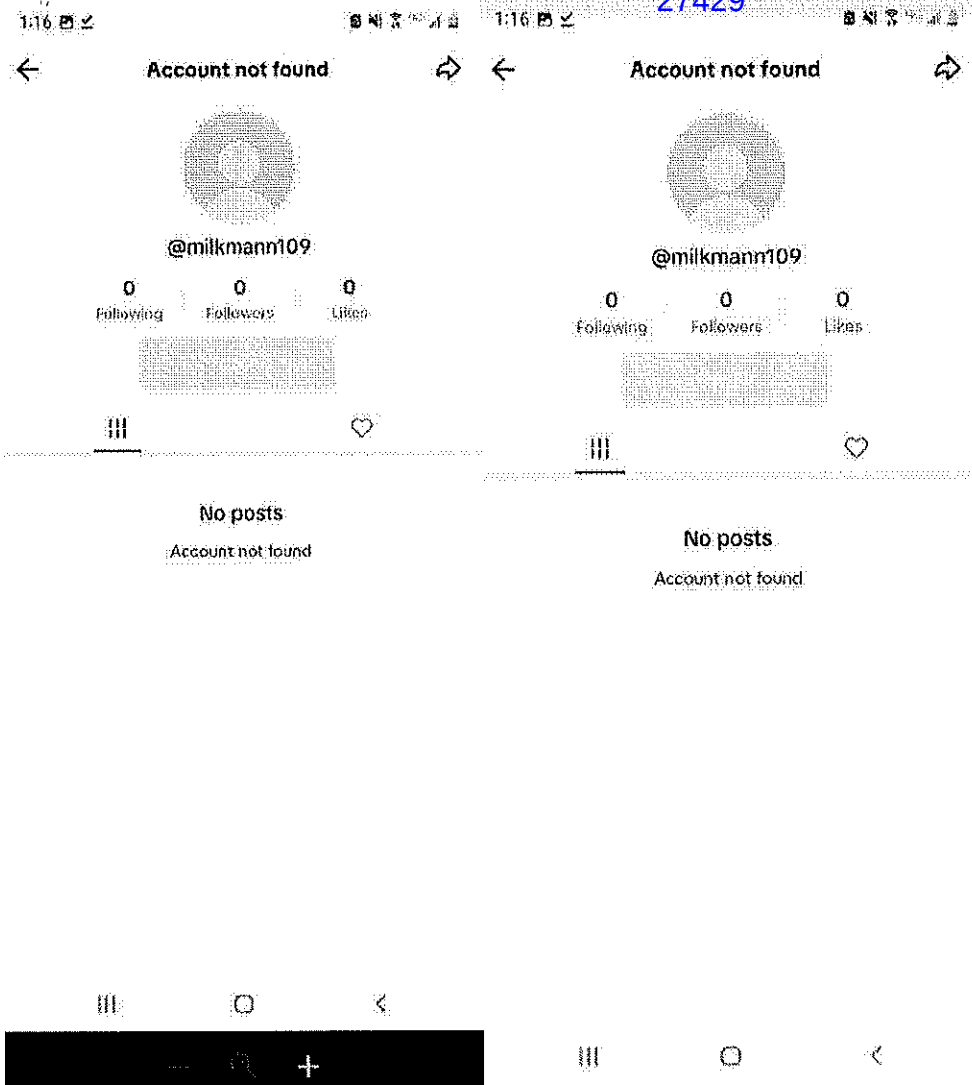

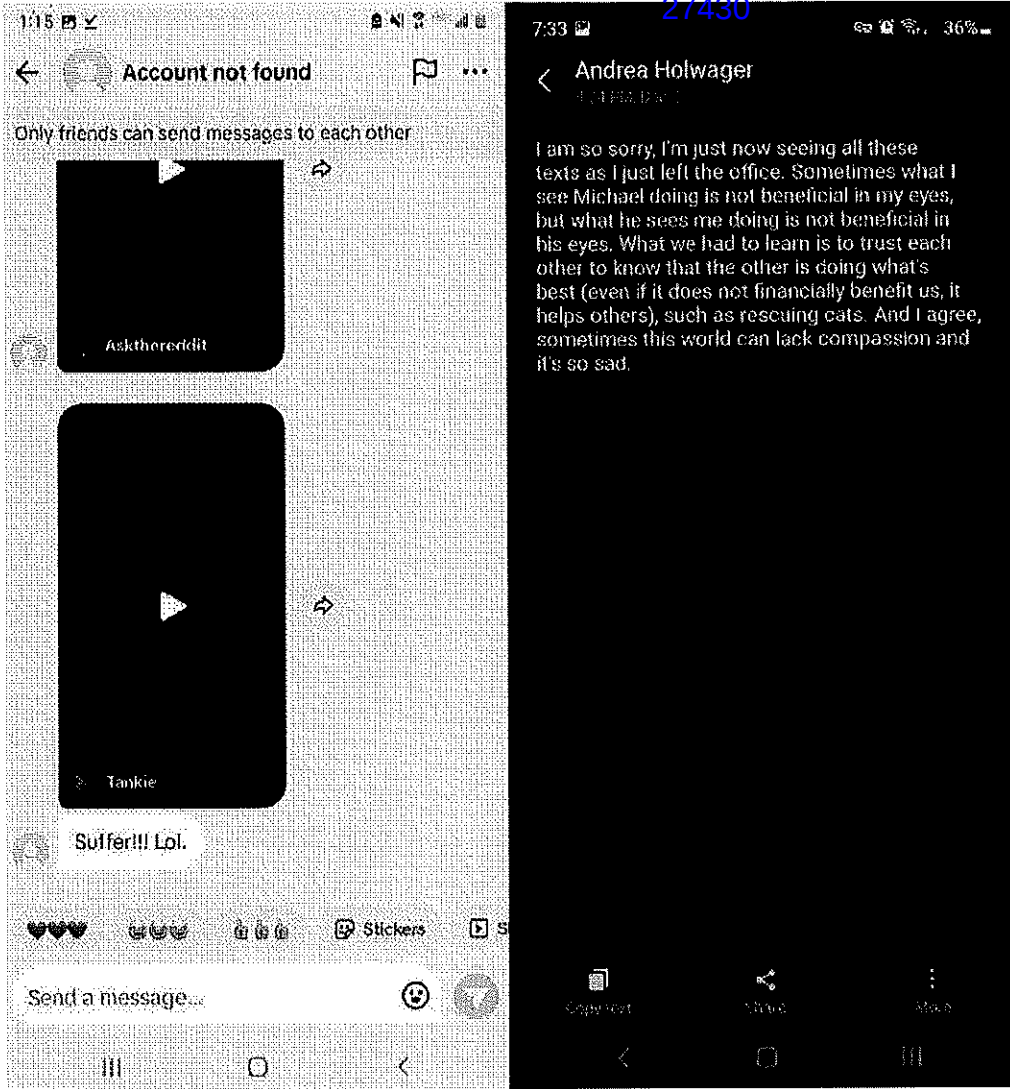

It is my opinion that this is an appropriate apology for using a word that may be considered offensive in our communications, though the sentiment of wishing for you not to be in our lives, nor near us, remains. Andrea L. Holwager doesn't seem to find the same "F-word" to be offensive in her own communications, and below is an example of a platonic conversation where she calls me a "pet name" without intention.

In past communications Michael A. M. Holwager has used language in the same manner without any offense, and unfortunately, may have told my wife to "suffer lol" during events which harmed us to be safe. Michel A. M. Holwager's accounts online are typically in the form of "milkman109" and/or "badtat109" or another variation of these usernames, and the account below previously belonged to him. In Andrea's own words, sometimes she and Michael, like any couple could potentially experience, may not be on the same page, though Michael A. M. Holwager may have more bouts of "bad behavior" than others around him:

Unfortunately, Michael A. M. Holwager has threatened me in the past, possibly over his own actions for which he did not wish to take accountability for, and for which I was not holding him accountable. Prior threats upon my person, or insults to my character, by Michael A. M. Holwager, were handled as frivolous family matters, and fractious jokes to be pushed aside, until he decided to threaten my wife.

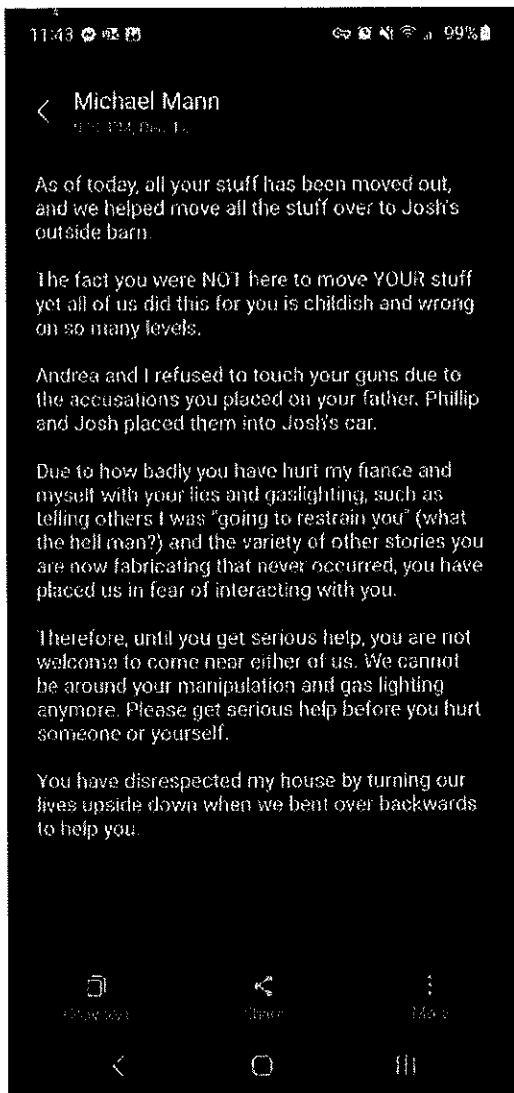

Michael Mann first threatened to "get rid of me" on the bleachers in the red square.

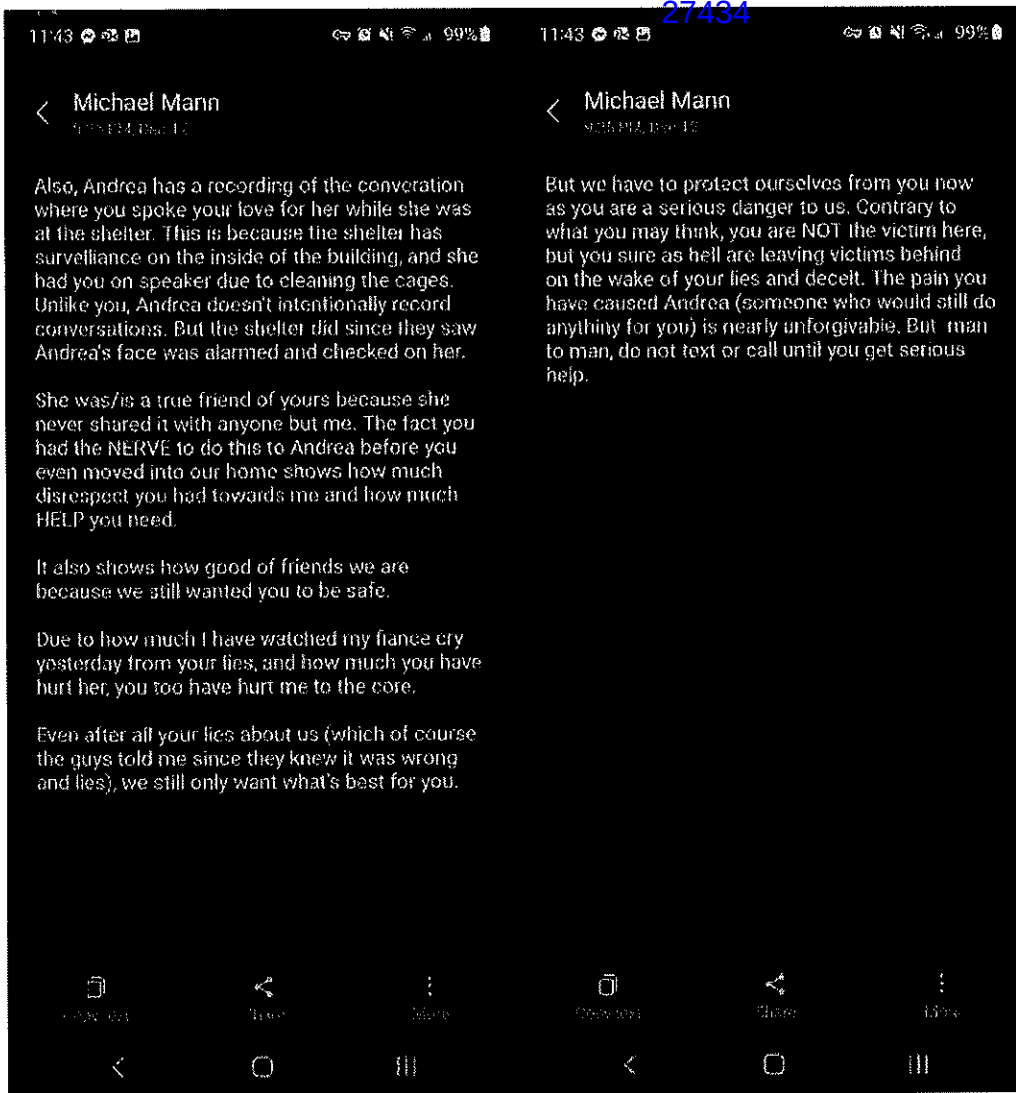

Michael later threatened me in the Holwager's garage after Andrea told me he may have cheated on her with another girl. She talked to me privately. I didn't even approach him.

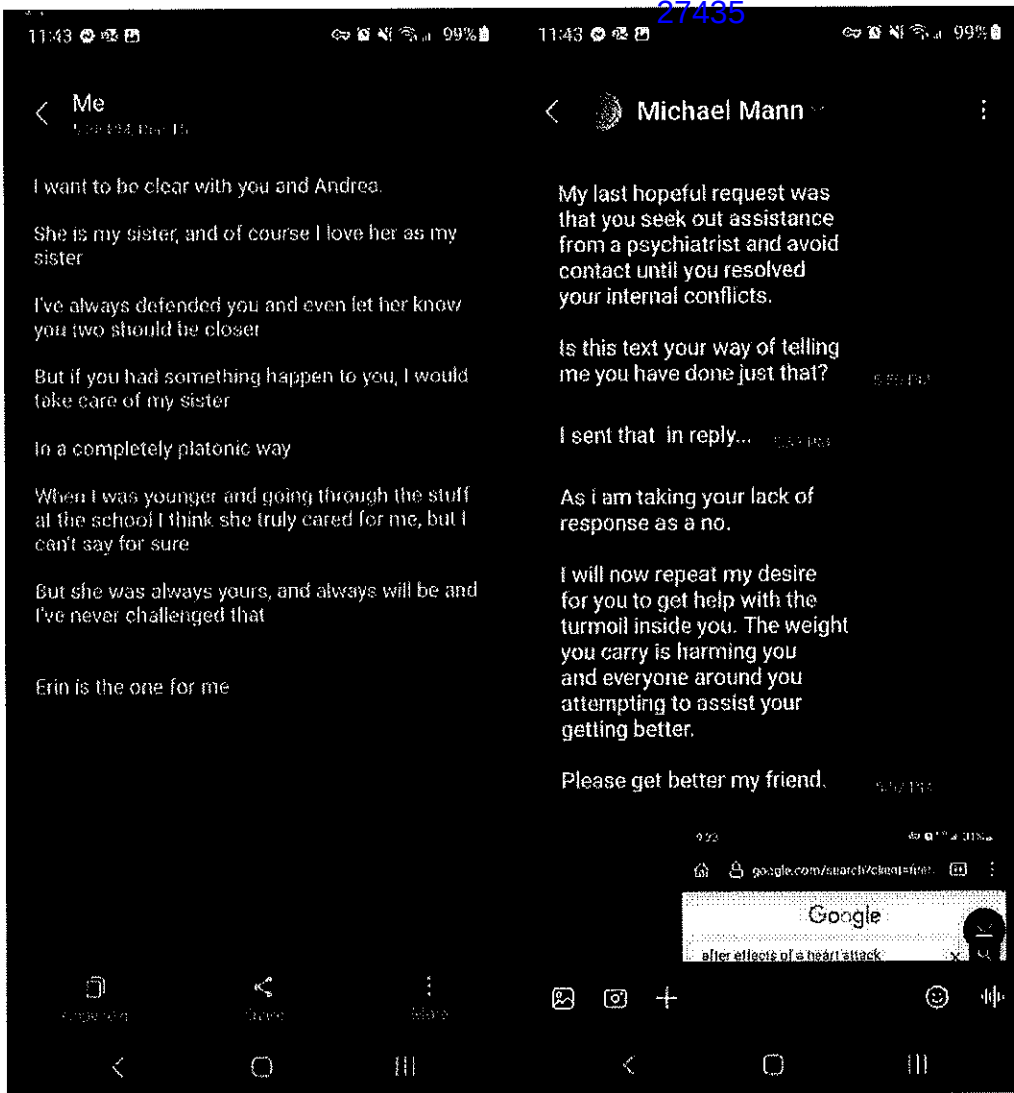

While this did upset me, it did not make me wish to harm Michael A. M. Holwager, nor was I in his county, nor at home, nor near weapons, nor any other item even potentially dangerous to his well-being. It is my opinion, as a husband, that any reasonable man would be upset by the communications below after leaving a home because it seemed Michael's prior "bad behavior" may relapse without cause.

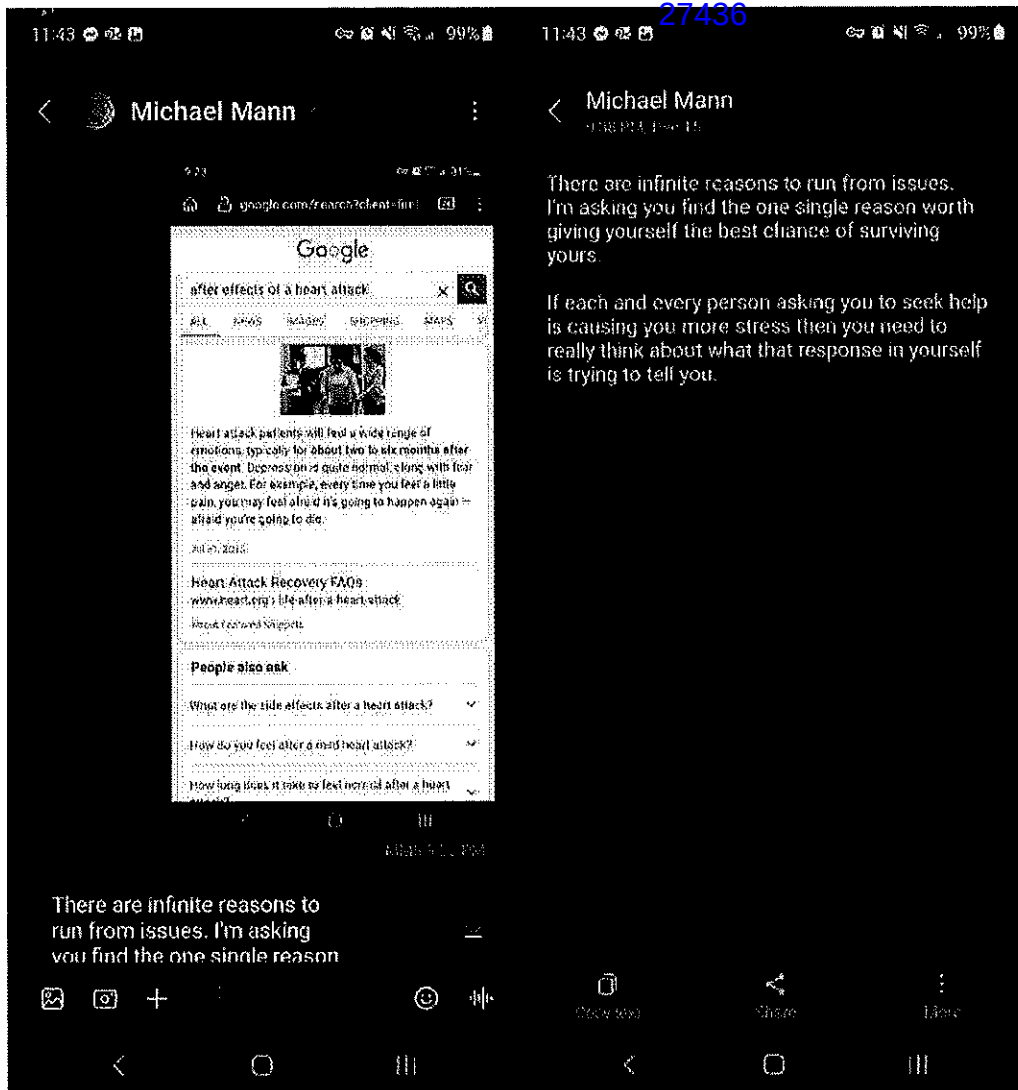

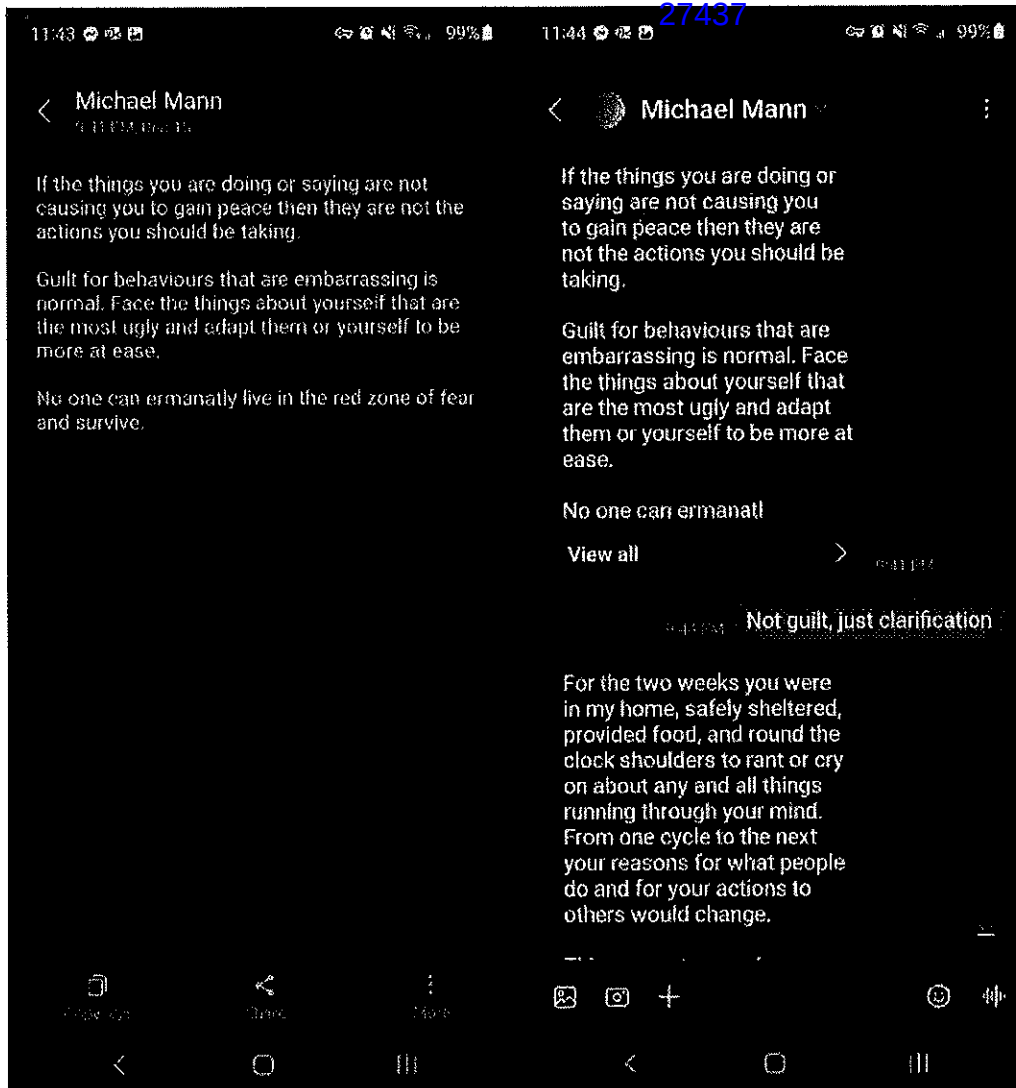

Below is Michael A. M. Holwager potentially admitting to, not recording a direct phone call in accord with single-party consent laws in Indiana and some other states, but potentially a form of "wire-tapping:"

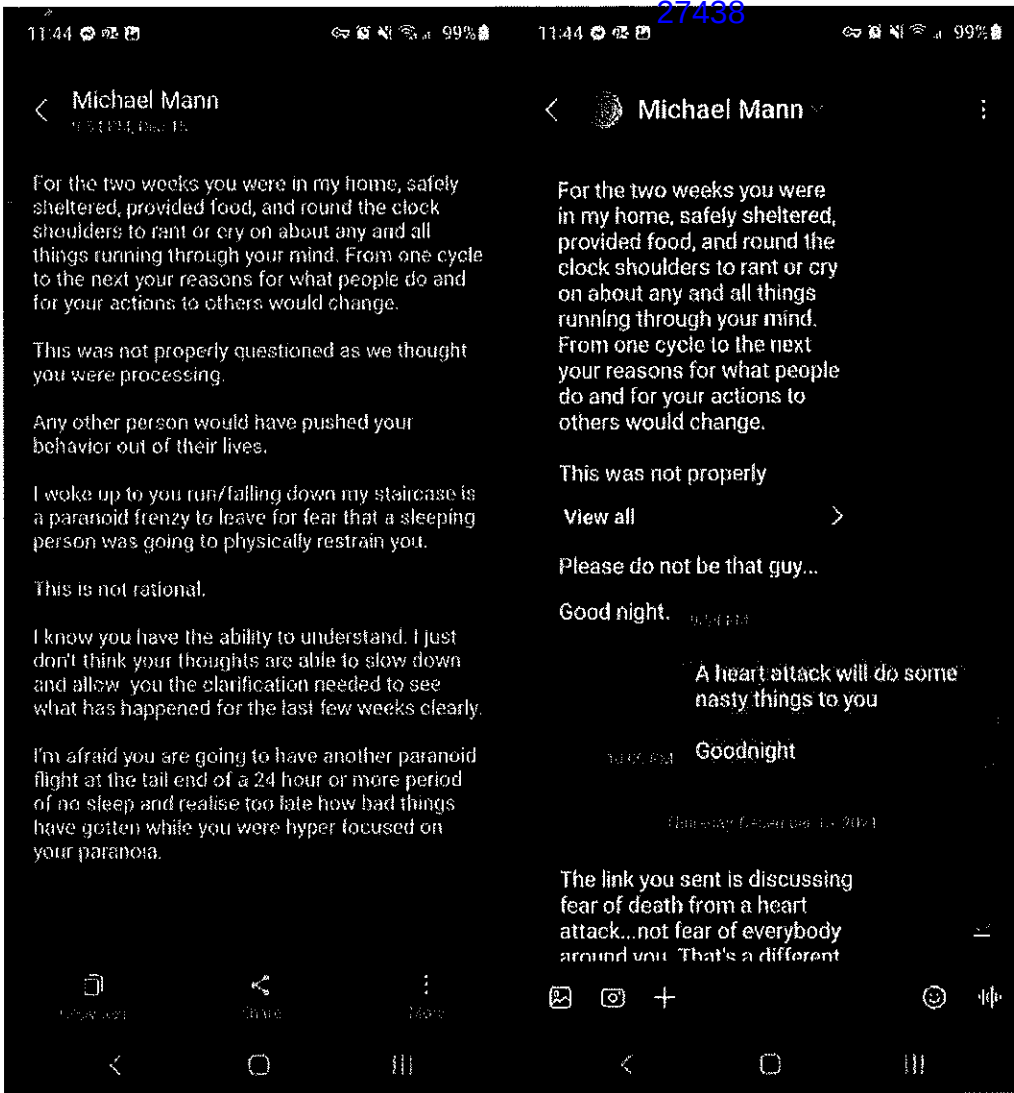

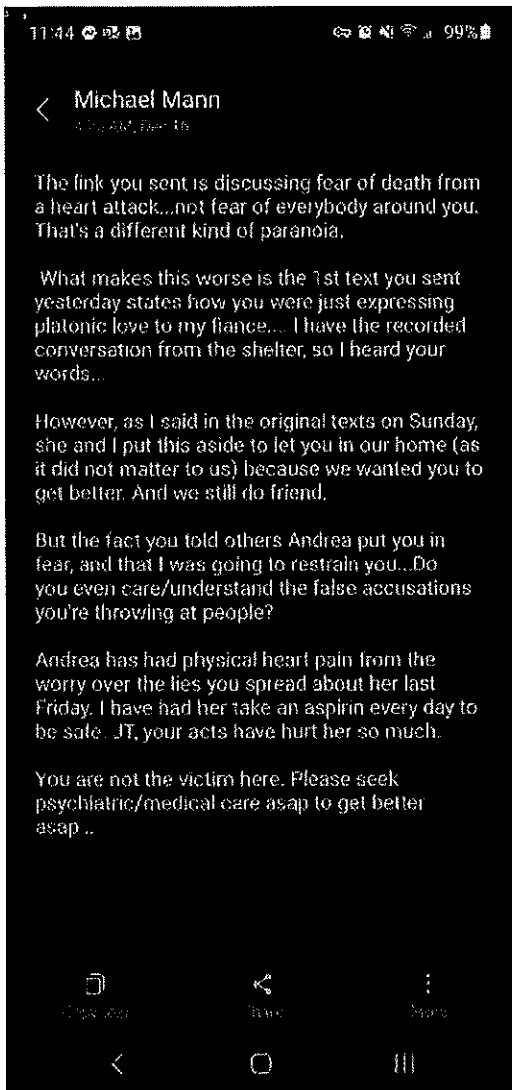

Below is Michael A. M. Holwager denying medical issues which I was already having checked out by qualified professionals, in my opinion this doesn't seem to be in our best interests:

Below is Michael A. M. Holwager denying that I felt uncomfortable in their home due to Michael A. M. Holwager's potential inability to listen and understand, even our want for appropriate distance:

For context prior to these events, my Dad had threatened me, and my wife, while we were planning my wedding, and I love and forgive him, but in my unqualified opinion, he may be ill.

It was the recommendation of multiple family members to exit the situation, and my Dad's own words to "Take your WIFE, take your CATS, take your SHIT, and GET OUT!" so I did so.

This caused me a lot of stress, and some sadness, which I think is normal for any son who loves, but cannot tolerate the "bad behavior" of his Dad, or as well, Michael A. M. Holwager.

Michael's responses above may be considered as "gas-lighting" or in other words, an attempt to shift blame onto the victim of an event, possibly so they may "suffer lol" instead of simply allowing them distance.

It's unfortunate that this isn't the first time Michael has done this to me or insulted my character via "jokes" and attempted to make me feel I am to blame for actions taken against me outside of my control.

While I also forgive him for claiming to be my "friend" and not helping me before in situations of need, it's our opinion that he may simply be searching for an excuse to harm us because I privately reported Andrea.

This report was made to the Dean of Students at IU in Richmond, as I am an alumni of Purdue via IUPUI, IU, and Ivy Tech, and during my educational tenure I studied psychology as a "special interest" after meeting an esteemed scholar by the name of Duane Lundy who, at the time, was the head of the psychology program at IU. This may be in part the same program which Andrea is attending, and if she has learned not to offer prescription medications, such as Adderall, to those who have not been prescribed it by their own primary care physician, nor any other physicians, it is my opinion that this matter may also be frivolous as well.

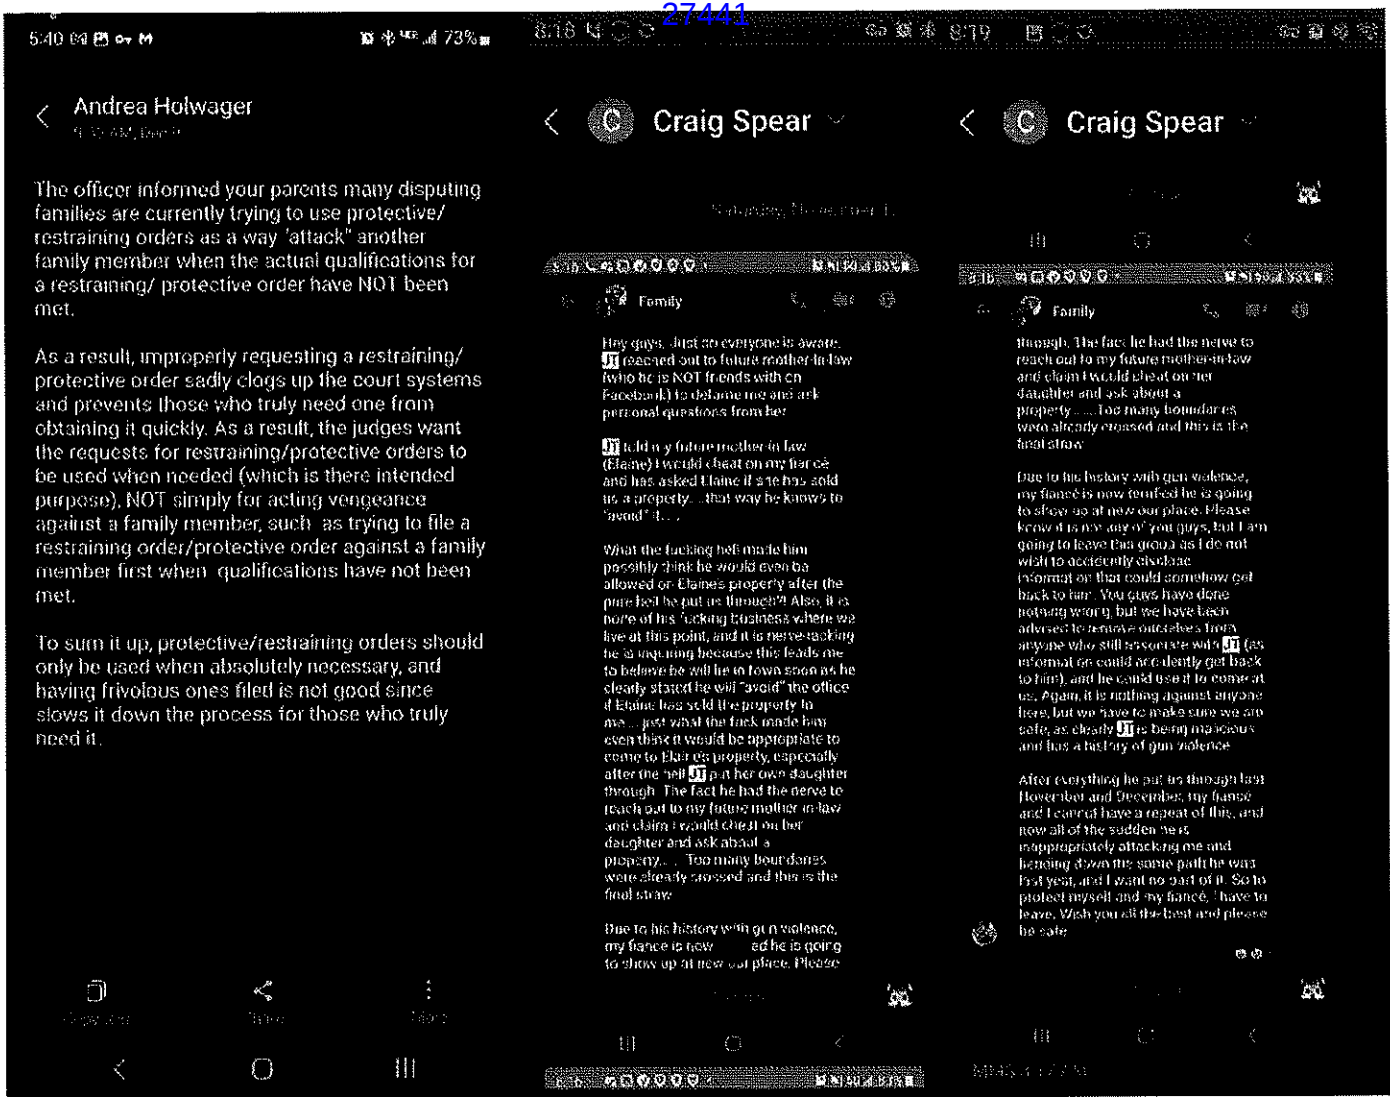

Unfortunately the actions of Michael A. M. Holwager and Andrea Holwager, and the "bad behavior" of potentially a few other individuals may have caused a temporary loss of my lifetime gun permit.

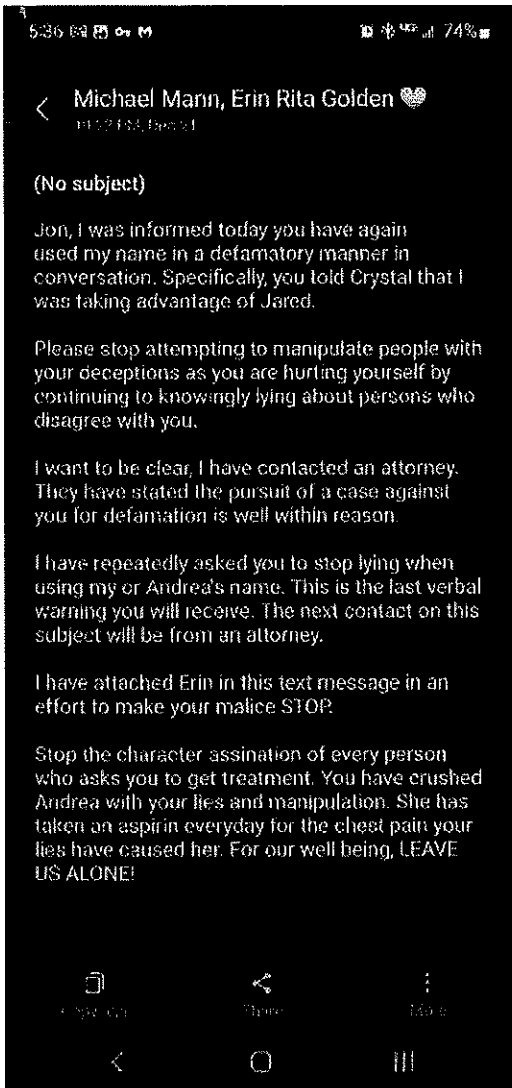

However, I don't wish for Andrea A. M. Holwager to lose the ability to acquire her therapy license, and I only know that her actions may have put this at risk due to years of experience working in Healthcare IT.

During my entire tenure in any profession that I remained, to the very best of my abilities, a kind, and courteous professional, though I was upset once by being denied scheduled bereavement for my Grandfather.

My lifetime gun permit was approved even after my, already expunged, court case, which has somehow been "revived" and referenced in a fractious and frivolous way for these proceedings. The case was only misdemeanors, and in my opinion, should be, and is completely irrelevant to the current frivolous, and potentially abusive attempt to pursue a protective order against me.

However, this doesn't seem to only be my opinion, and in Andrea Holwager's own words prior, which now seem to be an unfortunate herald of Michael A. M. Holwager's "bad behavior," this may be an attempt at further abuse of us, our rights, our character and not only our credibility, but the credibility of the Wayne County Courts, which, as the place where I was born and used to call "home" is in my opinion a sad sight:

In the middle of these messages is Michael A. M. Holwager talking about my character in a way that may be considered defamation, especially with an already expunged misdemeanors being inappropriately used. It seems that Andrea L. Holwager and Michael A. M. Holwager may not be on the same page, as she mentioned before, but should that be made into my issue yet again, and by extension, my wife Erin's issue?

In my opinion it should not, and I politely request that the Honorable Judge Drake and our courts ask Michael A. M. Holwager: "Please cease and desist and all of you leave each other alone as was requested." Michael A. M. Holwager's in my opinion "bad behavior" shouldn't be tolerated nor enabled, and may have been a partial cause of me missing my own sister's wedding, and our families missing our wedding, though it appears that he was able to receive an invite in our stead to potentially prevent us from speaking to our own families first. Maybe this was to make us "suffer lol" or maybe he just doesn't like us and that's unfortunate.

Here is one of the gifts I received from Michael A. M. Holwager, in the past, and accepted without being insulted nor becoming upset, but in my opinion, it may have been a bit rude, and I forgave and forgive him:

May this not be an appropriate gift from Michael to me after threatening me in the past?

Is he incapable of doing the same unless he is the instigator and finisher of even a fallacious, fractious, and frivolous disagreement? This may have cost me and my wife an excess of capital and peace of mind. In my opinion it may be due to his failure to take his own accountability for his own "business" if you'll allow a colloquial term, and I don't wish to be near him nor involved in his marriage which I already supported.

Would you please curtail his bad behavior and prevent further erroneous actions against my character so I may continue as a whole person, who is already a happily married man with Faith in God and Country? If further information is needed to support our case and prove that the current attempt at a protective order is frivolous, fractious, and potentially an attempted abuse of our esteemed courts, please let us know.

Honorable Judge Drake, I'm sorry this is even an issue in your court, and I implore you to deny and curtail these actions, and any further actions, which may be taken or attempted against me and my wife.

Thank you so much for your time and consideration, sincerely,
Jon F. Turpin

Happy Birthday!

10/9/22, 10:25 PM

Michael threatened to sue me and my wife. I'm sorry I left the stuff at their house, but I wasn't "hitting on Andrea" like he has been spouting off.

So I won't be around anymore for Andrea while she's with that man, I'm sorry for that.

Hope she picks someone who doesn't cheat on her and lie about it someday.

That's the second time Michael has threatened me and it will be the last. I'm not sure if you sold them the office or not, but I'd like to know so I can avoid it if that's the case.

Anyway, I hope you're doing well and it's just my opinion, but I figured I'd say why I won't be around.

Jon Turpin, due to your continued defamation of character by intentionally spreading known false and malicious lies about my future son-in-law (Michael Mann) and the mental anguish you have caused my daughter (Andrea Holwager), this response is being written with legal assistance.

You are NEVER allowed on ANY of my properties at any time or anywhere near me. This includes 111 E De... Street (located in Cambridge City IN) or any other residences in or... and/or family's home. We feel threatened, bullied, and intimidated by your continuous false accusations.

My daughter's excellent character and the strength and beauty of her mother were the most beautiful things that I ever saw. I had never before seen a woman so beautiful and so good. I had never before seen a woman so beautiful and so good. I had never before seen a woman so beautiful and so good.

As of today, all your stuff has been moved out, and we helped move all the stuff over to Josh's outside barn.

The fact you were NOT here to move YOUR stuff yet all of us did this for you is childish and wrong on so many levels.

Andrea and I refused to touch your guns due to the accusations you placed on your father. Phillip and Josh placed them into Josh's car.

Due to how badly you have hurt my fiance and myself with your lies and gaslighting, such as telling others I was "going to restrain you" (what the hell man?) and the variety of other stories you are now fabricating that never occurred, you have placed us in fear of interacting with you.

Therefore, until you get serious help, you are not welcome to come near either of us. We cannot be around your manipulation and gas lighting anymore. Please get serious help before you hurt someone or yourself.

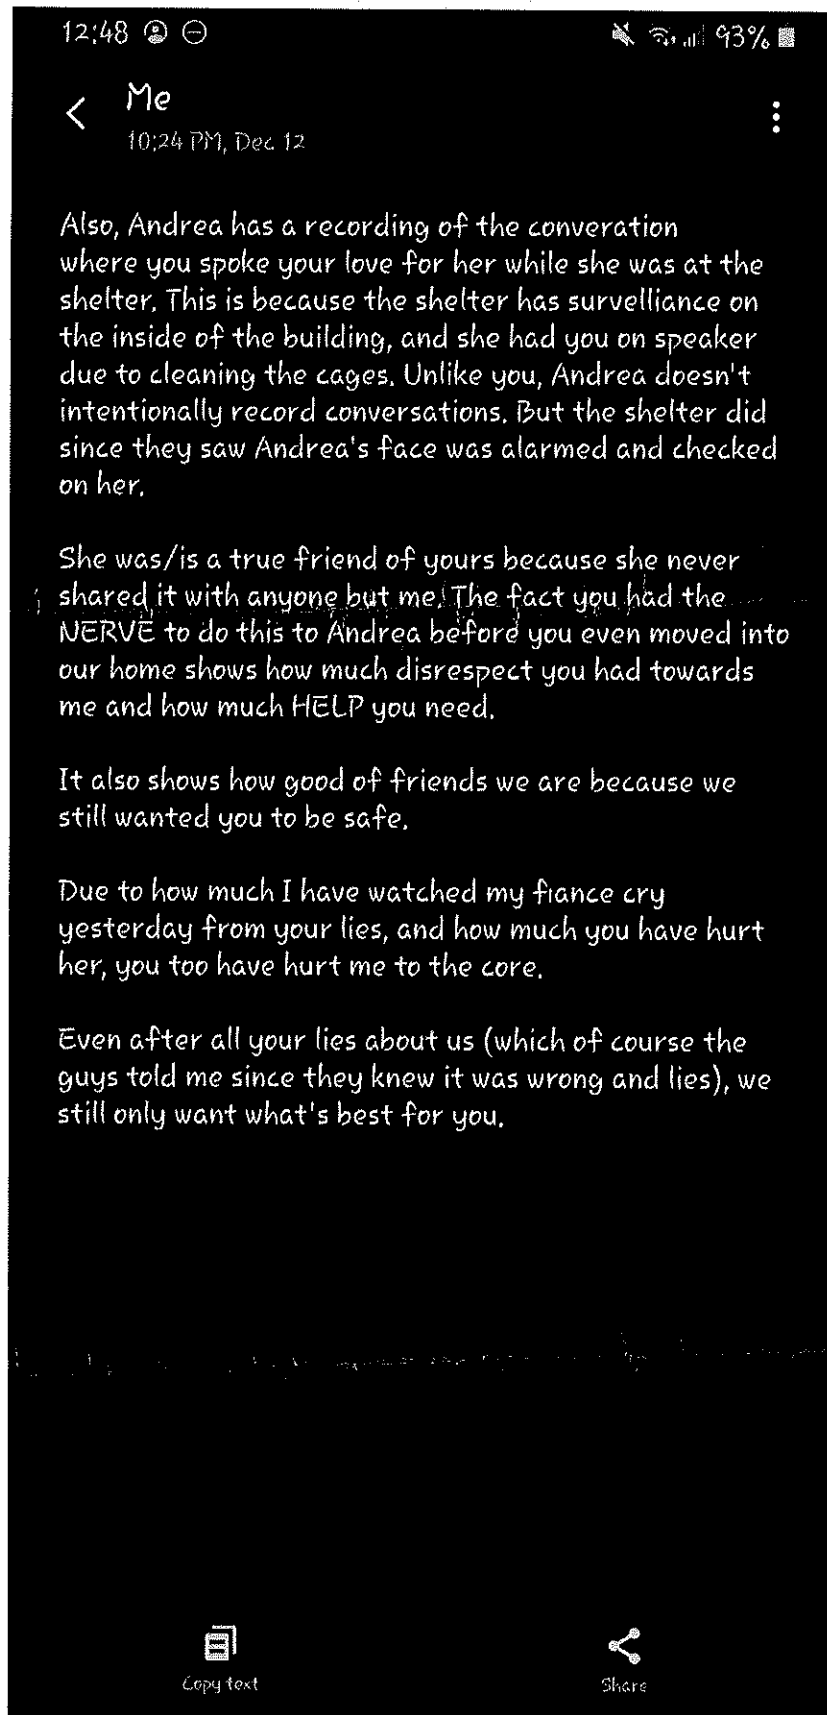

You have disrespected my house by turning our lives upside down when we bent over backwards to help you.
